### **The Flintco Companies, Inc. Gain National Recognition for Diversity**

**TULSA (June 9, 2008)** – DiversityBusiness.com has ranked The Flintco Companies, Inc. as one of the top minority owned businesses in the nation.

The list, which represents the nation's top multicultural earners in sectors ranging from technology to food service, ranked Flintco, Inc. as the number two American Indian- owned business in the country, and the number ten for all minority-owned businesses. It's the largest American Indian-owned construction company in the world with annual revenues of 1.275 billion dollars and more than 1,000 employees nationwide.

"Flintco continually strives to be the best we can be," said Tom Maxwell, CEO of The Flintco Companies, Inc. "It's rewarding to see a national organization such as DiversityBusiness.com acknowledge our efforts as a business and industry leader."

Kenton Clarke, CEO of Computer Consulting, the company that built DiversityBusiness.com, said that this list represents a growing force of visionaries in American business.

"Diversity businesses and consumers are a force to be reckoned with," Clarke said. "This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities."

Flintco was recognized in April at DiversityBusiness.com's eighth annual Multicultural Business Conference at Disney's BoardWalk Resort in Orlando, Florida.
